

Inspiring HOPE Testimonials

What do you think of this book?

"Is the jar half full or half empty?" How many times does it look half empty? Hope for the future with a deep faith and belief in the future allows one to see it "half full"! I've been called the eternal optimist **because I always see HOPE!** My father used to say that God helps those that help themselves. The stories and experiences in this book prove that point. You will go away from this great read with hope for your future and the positive influence that you can have on others—guaranteed—and much more! **Jo Ann Bennett-Boltinghouse**

"Hope is the most powerful word in our language. No one ever achieved anything of significance without it. Yet, sustaining hope can be difficult in challenging times, but that is when we need it most of all. This book is filled with inspiring stories that remind us that hope conquers fear and despair." -Charles F. (Chic) Dambach

"We joined Thom's marvelous project (see their story and chapter inside this book) because of his faith and commitment to helping people find **Hope** in a time when it is most needed around the world. **The stories of these powerful speakers and writers can change your life in positive ways. This book is all about "keeping the faith!"** Drs. Charles and Elizabeth Schmitz, Multiple Award Winning Authors and America's #1 Love and Marriage Experts

"Hope is what the American Dream is built upon. This book will inspire and motivate you to 'turn adversity into advantage' and achieve Your Dream." -Rich Zvosec

"How rewarding to be a part of *Inspiring HOPE*. You will find stories, you will find teachings, and you will find the hearts of great people in these pages. These writings not only look for hope but recognize it and embrace it. **Hope is what keeps the world and people living, and HOPE from this book gives you more success.**"
Liz Cosline
